The John & Vivian Hewitt Collection  
OF AFRICAN-AMERICAN ART

**April 1 through June 30, 2017**

This dazzling exhibition of paintings, lithographs, collages, woodcuts, and other works by nearly two dozen artists tells the fascinating story of the Hewitts' collection, the nurturing environment they created for artists in their home, and the steps they took to ensure that the collection be available to the public. Learn how the Hewitts both inspired artists and sought to instill a passion for art in others.
